

At Saathi House we strive to address inequalities faced by women, young people and those from migrant communities; and empower and upskill them to lead independent lives.

As an organisation, we have evolved in many ways over the years, setting up a wide range of classes and employing community workers to tackle the needs of local women and developing youth work.

As we continue our journey with the people of Aston, Birmingham and beyond, our aim is to look forward to a future where the underrepresented but skilled and talented residents of the city are the leaders of tomorrow.

Following the re-opening of Saathi House and our exciting plans to expand our community services we are looking to recruit a new **Female Sports Officer** to join our team.

🏊 Female Sports Officer (part-time 2 days per week)

Please read the job description and the person specification before applying.

To apply please send your CV and covering letter detailing a) why you are applying for this role and b) how you meet the role. To Tiffany Joseph, [tiffany@saathihouse.org](mailto:tiffany@saathihouse.org)

If you cannot email your CV and covering letter, please call 07890309844 to make alternative arrangements.

Closing date for applications is 30th September 2023
